
Engagement – Terms & Conditions

All of our client engagements are subject to the following terms and conditions.

1. Professional Standards

The best financial advice provides you with knowledge, confidence and results. It is professional trusted support.

We are committed to meeting the highest professional standards. We hold our own Australian Financial Services licence and all of our financial advisers are registered with the Australian Securities & Investment Commission (ASIC) and the Tax Practitioners Board (TPB). We meet the standards of the Financial Planning Association (FPA) and the Financial Adviser Standards & Ethics Authority (FASEA).

These standards require us to act honestly and with integrity at all times, provide financial advice which is in your best interests and to prioritise your interests ahead of ours.

Abbott's Wealth Management (AWM) was established in 2002 by Chris Higham and Brad Abbott. Our clients' financial planning needs are met by our three authorised representatives, Andre Parker, Briony Knott and John Donald.

Andre has been working in the financial services industry since 2005. He is a member of the Financial Planning Association (FPA) and the Self-Managed Superannuation Fund Association. He is a Certified Financial Planner® and accredited as a SMSF Specialist Advisor™ (SSA).

Briony has been working in the financial services industry since 2005, initially in Zimbabwe before moving across to Australia in 2013. She has completed a Masters in Financial Planning and her Certified Financial Planner® accreditation through the Financial Planning Association (FPA).

John has been working in the financial services industry since 1991. He is a member of the Financial Planning Association (FPA) and is a Certified Financial Planner®.

We are privately owned with no ownership or licensing ties to product providers. We act for our clients and largely operate as a fee for service practice. Our income comes from the fees paid by our clients for our advice services. We do not receive payments for the referrals that we provide to external businesses. This provides you with the confidence that we will act in your interests.

2. Annual Engagement

We are a boutique advice practice that works with about 160 private clients and their family groups. We prefer to have a close and lasting relationship with our clients.

We provide services on an annual engagement basis. This means we engage with our clients to provide services over 12-month periods. At the commencement of each period, we will document the services that we will provide to you over the coming year, the fees you will pay and any other remuneration we may receive from third parties.

It is always your choice whether you re-engage us at the end of each 12-month period. We will only commence a new annual engagement where you have notified us of your decision in writing.
